

A Living Legacy: The Shining of Eternal Life

*Conference in memory of Metropolitan Anthony of Sourozh
On the Tenth Anniversary of his Death*

A one day conference will be held in London on Saturday October 19th 2013, dedicated to Metropolitan Anthony of Sourozh.

The conference is being organised by the Metropolitan Anthony of Sourozh Foundation and will be the fifth Western European conference to be held in his memory.

It will reflect on the influence of his spiritual vision on our lives in our contemporary situation.

We will look at different aspects of his legacy: the '*shining of eternity*' which filled him and bore witness to the reality of Divine Love; and personal '*encounters with eternity*', in which that Divine Love breaks into and transforms our own lives.

Speakers
