Children's Summer Camp 2024

Saturday 27th July to Sunday 4th August 2024

For some 50 years summer camps have been organised for children aged 9 - 16 from our parishes and communities around the UK. For a number of years now it has been run on a site in South Wales at Dyffryn Ganol, near Crickhowell in the Brecon Beacons. It is an ideal location for a campsite; a small, flat field nestled in a valley between the mountains. Alongside the field runs a stream where the children can safely wash and play.

The Camp Activities

Like last year, this summer the camp is just over a week long and the days are filled with various activities which are planned and supervised by the camp leaders. Activities include the Blessing of the Camp, discussions on church life and faith, visit to the nearby well shrine of St Issui, the celebration of the Divine Liturgy, walks, Camp Olympics, Theme Days, swimming, football, volleyball and other games, arts and crafts, music, dancing, sketches and bonfires.

Campers are also encouraged to tidy their tents, carry out their share of common chores, but also play together, perform sketches and join in with all activities on offer.

The Camp Location

This is real camping! There are no buildings on the site and everyone sleeps in tents, with up to six children of the same gender and similar age in each tent. Three large marquees serve as the kitchen, dining hall and activities area, while another holds the chapel where everyone gathers for prayers first thing in the morning and last thing at night. This is also where the Liturgy is celebrated for the feast of the Transfiguration.

The Camp Personnel

The camp is under the pastoral care of Father Alexander Fostiropoulos, assigned to this task by our Archbishop. The camp activities are run by a team of leaders who have attended the camp themselves, many from an early age. A group of dedicated adult volunteers (clergy and lay) assist, either full or part-time, in the kitchen, administration, church teaching, the management of the safety and hygiene of the site with a further team of volunteers who help set-up and pack-up the camp. The resident personnel undergo statutory checks and there are First Aiders present.

More volunteers always welcome to help set-up and pack-up the camp. Please contact Father Alexander or Philip Scorer if you are interested!
